Comment Form for Public Scoping Meeting February 10, 2009

Thank you for joining us tonight to learn about environmental studies for the proposed reactivation of the Beech Creek Branch Line. An important component of the environmental clearance process is to gather and consider comments from the interested public. Please complete the information below and deposit this form in one of the collection boxes marked "Comment Forms".

1. In which municipality and county is your residence located?

BELLEFONTE CENTRE

2. How did you learn about the meeting tonight?

WEB

3. Please tell us your comments about the information presented here tonight. (How well was the information presented; was it informative and understandable; were the consultants helpful in answering your questions; etc.)

INFO WAS GOOD, ANSWERS WERE GOOD.

4. What additional comments about the proposed rail reactivation would you like to add?

I HOPE STB WILL NOT ALLOW THIS RAIL LINE TO REBUILD. I THINK THE AREA THAT THE RAIL LINE WILL RUN THROUGH IS A GREAT PLACE FOR RECREATION, WILDLIFE ETC. THE RAIL LINE WILL ADVERSELY CHANGE THAT - AND IF THE RAIL LINE IS REBUILT THE PROPOSED LANDFILL WILL BE BUILT. THIS WILL ALSO MAKE THIS AREA WORSE. RECREATION HAS BECOME A MAJOR ECONOMIC FORCE IN THE AREA. IT IS GROWING - HAVING A RAIL LINE & A LANDFILL & THE EFFECTS OF BOTH IS BAD
